

THE SILVER CONVENTION NAMES ITS TICKET

AN ALL DAY SESSION WITH PLENTY EXCITEMENT FOR
CANDIDATES AND SPECTATORS

The Democrats Meet and Make no Nominations, Which Saves
A Party Split

Yesterday at 10 o'clock the Silver party County Convention was called to order by Judge Stone, of the County Central Committee. Upon motion Henry Heidenreich was made temporary chairman and E. J. Walsh, was selected as secretary.

The chair then appointed delegates Harris, Todd and Hill as a committee on credentials and permanent organization. A recess of ten minutes was taken to give the committee a chance to report.

When the convention reassembled the temporary officers were made permanent and the work of the body commenced. The first matter under discussion was the admitting of the proxy of Dick Kirman, who had transferred it to H. Mulcahy, he in turn transferring it to James Richardson. The proxy was allowed and Mr. Richardson voted the same during the business of the meeting.

A committee consisting of Messrs. Walsh, Regan and Mighels was appointed on Platform and Resolution. This was followed by the chair appointing Messrs. Gates, Harris and Dixon, as a Conference Committee to meet a like committee from the Democratic Convention, for the division of offices on the ticket. A recess until 1 o'clock was then taken.

Afternoon Session.
The afternoon session was filled with incidents that always go along with a convention that has any life. The report of the Platform Committee was read and accepted. Then came the tug of war—the report of the Conference Committee. The committee reported that the Democrats demanded Senator, one Assemblyman, Recorder, District Attorney and one Commissioner. This report was promptly rejected, and the Silver delegates figured that the other side of the convention wanted the lion's share.

A motion prevailed to hold a caucus and decide on the officers that would be conceded the Democrats. The room was cleared of spectators, and the members of the caucus had a lively debate on the subject. It was finally decided that the Silver Party would concede one Assemblyman, District Attorney and one Commissioner.

This report was taken to the Democrats and they in turn demanded the naming of the Senator in conjunction with the District Attorney, one Assemblyman and a Commissioner. Another debate followed with no result, as the delegates of the Silver Party insisted on the Senator, that is a majority. It was finally decided to hold another caucus and while this movement was in session, word came that the Democrats had taken a recess until 7 o'clock. The same was done by the Silvermen and they all went home with the same condition of affairs as in the morning.

During the afternoon another candidate for Senator came into the arena. This was Barney McClure, whom the Democrats wished to nominate. As a number of the Silvermen were of the opinion that he was a strong man for the place, they made a fight to land the position in the Democratic lap, but the Livingston followers were too strong and they voted the proposition down. Toward the close of the afternoon session mention was made of Logan for the place, and the Empire delegates seemed to think that they had a winner when his name was mentioned. This fight took all attention from the other nominations which gave the boys a chance to do more figuring on where they stood.

In the Evening
It was a lively session that was before the convention in the evening. The same old split on Senator started the boys in the face, with the Democrats demanding the naming of the head of the ticket. A vote was taken to recede in the action of the convention and give the place to the Democrats, but it met defeat.

At this point Alfred Chantz came into the chamber from the Democratic body and made a rousing speech in favor of harmony, and stated reasons why the Silver men should concede the office. In spite of his efforts to a majority stood in for the naming of Senator and it looked like two tickets, which would be simply suicidal to the parties receiving the nominations.

When it was found that there was no chance of the Silvermen giving the point, a motion was made to nominate a ticket from the Silver ranks, which was carried.

A. Livingston and Robt. Logan were placed in nomination for the position of Senator. A ballot was taken which resulted in the nomination of Mr. Livingston.

For the Assembly there was a lively time. Seven candidates were placed in nomination. They were M. Smith, George Keith, H. R. Logan, E. A. Wagner, Charles Wylie, H. Blanchard and Ross Wilson. The first ballot resulted in a tie and upon the second ballot Charles Wylie, H. R. Logan and M. Smith carried off the persimmon.

The Recorder's fight was also a hot fight. James Benton, H. Deiterich

and Will Smith all had a following that looked for a time like an all night session. The first two ballots resulted in a tie and no selection. At the third ballot Henry Deiterich lead the list with eleven votes, just enough to win; Benton six and Smith four.

The County Clerk and Treasurer was handed to George Cowing on a platter.

The same happened to Sheriff Kinney and he is good for another two years.

George W. Keith was made the unanimous choice for District Attorney.

For County Commissioners, Ed James was selected for the long term and James Larson, of Empire for the short term.

The constable fight brought out four candidates, E. Mara, Tim O'Connor, August Berning and P. Gillooly. The first ballot proved no vote and upon the second Nudge Mara walked off with the prize.

Judge Stone will hold down the Justice Court for the next two years.

The nominations for the Empire township were passed, as the delegates stated that all was peace and quiet on the river.

This concluded the ticket work and with three cheers the convention adjourned. The following County Central Committee was appointed: W. H. Stone, Will U. Mackey, F. W. Day, F. Knoblock, H. R. Mighels, Neil Maher and Ed. Regan.

The Magnanimous.
It is no secret that the Silver party that there is a clean chance for the Silver party to win with the ticket nominated. All of the credit is due the Democratic convention and the members of that party.

When it was found that the Silver men would not concede in the points asked, and there was the likelihood of two tickets coming from the conventions, they adjourned without making a nomination. This leaves the field clean, and the fight is now between the Republican nominees and the ticket nominated by the Silver convention.

Had the Democrats insisted on naming their share of the ticket there would have been no chance for either ticket. As it is now, the ticket stands an excellent chance to win and there is no doubt but that the Silver party will put up a fight that will give the nominees a chance to show the voters that a good ticket has been placed before them.

The Platform.
Carson City, Nev. Sept. 22, 1902. To the Chairman and delegates of the Silver Party County Convention of the County of Ormsby.

Gentlemen:
Your Committee on Platform and Resolutions beg leave to report as follows:

1. We approve and endorse the Platform adopted by the State Conventions of the Silver and Democratic Parties, and we pledge our candidates to the support of the principles enunciated therein.

2. We recognize in Hon. Francis G. Newlands, our present Congressman, a tried and faithful servant of the people of this State, who in Congress has always labored for the best interests of Nevada, we heartily endorse his candidacy for the United States Senator, and pledge our legislative candidates to give him their unqualified support, and to use all honorable means toward his election.

3. We favor the regulation of the hours of labor in this State, and recognize the right of the laboring men to meet and organize into unions for their own protection, and we object to any unjust limitation of that right whether by injunction or otherwise.

4. We pledge our nominees for the Legislature against any reduction in the rate of interest on the purchase price of State lands.

5. We recommend to our legislative nominees, as well as to the people of our county generally, the policy of furthering any practical plans or efforts toward the construction of storage reservoirs, for the conserving of waters for the irrigation of the waste land in this county.

6. We favor good roads, good streets, and in fact all public improvements consistent with the reasonable rate of taxation, and of advantage to the people of the county.

7. We recommend to our legislative nominees that they use all means in their power to assist in the passing of laws regulating the cutting of the second growth timber in this State and county. This we regard as important, as the storage of water, as by the cutting from the water shed the headwaters of the stream are deprived of the protection needed.

8. We pledge our nominees for county and township offices to a careful and economical administration, we point with pride to the careful management of county affairs at the hands of the Silver party officials during their terms of office.

Respectfully submitted,
Ed. J. Walsh,
Ed. Regan,
H. R. Mighels.

THE LOG ROLLERS

THEY HOLD A ROUSING
MEETING IN RENO

The Lodge Adds a Big List to
its Numbers

Last evening there was sawdust in the air. The biggest fraternal event that has ever taken place in the State was the order of events. It was the initiation of 155 candidates into the mysteries of the Woodmen of the World.

Washoe Camp of this city had nearly a hundred candidates itself and this number was swelled by novitiates from Floriston, Truckee, Carson, Gardnerville, and other Nevada and California towns.

The Californians arrived on the regular trains, and the Carsonites and Douglas county men came on a special train kindly furnished by the Virginia & Truckee company. As soon as the special arrived from the south a parade formed at Wheelmen's hall and the procession passed through the principal streets, headed by Grand Marshall Williams and the Eagle Band.

The parade extended over four blocks. The degree teams of Reno and Carson were in the line and the camps from Carson, Floriston, Truckee, BGardnerville and Reno. The candidates, 150 strong, brought up the rear.

Red fire was burned all along the line of march, and rockets and Roman candles by the hundreds lent their effect to the procession. Thousands of people thronged the sidewalks along the line of march and cheered the Woodmen.

After forming in front of the hall the parade passed up Virginia street to Commercial, west to Sierra, across the trace to Plaza, thence to Lake street and Commercial to Virginia to the Park, countermarching to the hall where the parade disbanded and the members of the camps and the candidates followed the goat to the gymnasium, which was used because it was the only hall in town of sufficient size.

The work of the order was exemplified by the Carson drill team in splendid fashion. The Reno team assisted. The candidates were put through as rapidly as possible, but it was found that there was not sufficient time to give the secret work to all. The local candidates will receive the finishing touches next Friday evening.

Shortly after midnight supper was served. Many of the visitors from the south declined to return when the special was ready to pull out. They will remain with their Reno friends until the local today.

Although the event was a magnificent success, and reflects great credit upon the management. The details were looked after painstakingly by Organizer Saunders and Deputy Organizer Taylor.—Journal.
